In celebration of the 29th anniversary of the Hong Kong SAR's establishment, the Six Arts Choir Concert was successfully held on April 11, at the Theatre of Hong Kong City Hall with Ms. Yeung So Ying, Assistant Director of Immigration, as the officiating guest.

The Concert presented a collection of classical Chinese and English songs with Shanghai Alumni Primary School Chinese Orchestra and the Anchors International Nursery as guest performers. Shanghai Alumni Primary School Chinese Orchestra started the Concert with two lively pieces. The Orchestra's brilliant and energetic performance helped set up a promising opening for the Concert. The last performers were the students of the Anchors International Nursery. Not only did they perform two Chinese and English songs featuring love and hope but also joined the Federation's Choir to sing the well-known classical Mandarin song "The Moon Represents My Heart." Their heartwarming looks and sweet voices sparked a sing-along among the audience, creating a deeply moving and most touching atmosphere.
