PEOPLE'S REPUBLIC OF CHINA.

Dear Ms. Ho,

**Re: CONGRATULATORY MESSAGE ON THE OCCASION OF THE 4TH WOMEN
POWER FORUM**

I wish to convey my warm congratulations on the convening of the **4th Women Power Forum** under the theme, **"Women Across Nations: Unite to Prosper."**

The theme is both timely and meaningful. It reflects the shared conviction that when women across nations work together, they advance not only gender equality, but also economic progress, social inclusion and sustainable development.

Tanzania remains firmly committed to the empowerment of women and girls as a central pillar of national development. In this regard, Tanzania is proud to be part of the **Generation Equality Forum** process and to support the **Action Coalition on Economic Justice and Rights** as an important platform for advancing women's economic empowerment. Our efforts include strengthening gender-responsive policies, expanding women's access to decent work and productive resources, and promoting accountability through coordinated national implementation mechanisms.

This Forum also comes at a time when relations between the United Republic of Tanzania and the People's Republic of China continue to deepen under our **Comprehensive Cooperative Partnership**. In that broader context, exchanges with Hong Kong hold particular value as part of our shared commitment to stronger people-to-people ties, inclusive development, and practical cooperation that expands opportunity, especially for women as drivers of enterprise, innovation and social progress.

These efforts reflect our belief that women's empowerment is essential to building prosperous and resilient societies. The success of women is, indeed, the success of nations.

I commend the Hong Kong Federation of Women for convening this important Forum and for promoting international solidarity and cooperation among women leaders. I am confident that this gathering will further strengthen the shared global agenda of women's advancement and collective prosperity.

Please accept, dear friend, the assurances of my highest consideration and best wishes for a successful Forum.

Sisters, Friends, Delegates, Excellencies

It gives me great pleasure to send you all my warmest greetings from afar, from Bing Dao. I wish you great success in your important endeavours today. The theme “Women Across Nations: Unite to Prosper,” with the aim to foster actionable collaborations that advance women’s causes globally, is more relevant in today’s world of wars and violence than ever before. It is imperative that women join hands, strengthen and foster feminine values and shared goals in service of humanity and a liveable world. Women are desperately needed at every table where dialogue takes place, decisions are made and matters of concern to all of us are resolved to help save us all from further divisions and destruction.

Last October I enjoyed the privilege of participating in the Global Leader’s Meeting on Women in Beijing. That conference commemorated the historic event that took place in Beijing thirty years ago, when representatives from 189 countries came together with the bold determination to advance gender equality and women’s rights. More than 30,000 participants—governments, civil society leaders, students, and the media—brought to *the Fourth World Conference on Women* not only their voices, but their visions for a more just and equal world.

The outcome was also historic, and groundbreaking. The Beijing Declaration and Platform for Action remains, to this day, one of the most progressive and transformative frameworks the international community has ever created for gender equality. The Beijing Declaration has helped shape progress in legislation, in education, in health, in politics and in representation. It was a turning point in our collective understanding of the fact that the empowerment of women and girls is essential for the sustainability of every society and for a more just and peaceful world.

Ladies and gentlemen,

It is a cause of alarm to sense that troubling setbacks are emerging in many parts of the world. Let me reiterate that we must revisit, reinforce, and re-energize the Beijing agenda. There is work to be done and I believe the spirit of the Beijing agenda resonates powerfully with your Forum’s mission to foster meaningful dialogue and collaboration among women leaders across nations.

Let me congratulate Hong Kong Federation of Women and All China Federation of Women for the initiative. I wish you all a successful conference in the spirit of friendship, cooperation and strong sisterhood.

Thank you for your attention.

Halla Tómasdóttir President of Iceland.

我們今天齊聚於此，共同迎來「第四屆巾幗建新力論壇」的盛大開幕。2026年是國家「十五五」規劃的開局之年，也是全球婦女事業邁向高品質發展的關鍵點。本屆論壇以「中外婦女加強合作共謀發展」為主題，圍繞「芳華共濟」、「數智賦能」、「美美與共」三大支柱議題展開。我們十分榮幸邀請到國務委員、國務院婦女兒童工作委員會主任、全國婦聯主席諶貽琴女士及香港特別行政區行政長官李家超先生等出席主禮，以及多位海內外政要及國際組織領袖，與來自金融、科技、文化等領域的傑出女性共襄盛舉。

「巾幗建新力論壇」自2019年創辦以來，始終秉持連接中國與世界的初心。我們充分發揮香港「背靠祖國、聯通世界」的獨特優勢，在三屆歷程中，累計吸引來自全球十多個國家及地區的近百位演講嘉賓，以及逾2,200名政商學界領袖參與，現已發展成為粵港澳大灣區乃至亞洲地區公認的高端對話平臺。女性之力，如水如光。她既有潤澤萬物的柔情，亦有穿石破土的剛強。這種「可剛可柔」的柔性特質，正是女性在時代變革中的獨特優勢。剛一是我們在推動社會進步、引領創新發展時的堅韌與擔當；柔一是我們在凝聚共識、促進合作共贏時的包容與智慧。本屆論壇所探討的「數智賦能」，正是這種剛柔並濟的生動實踐。

時代呼喚擔當，巾幗不讓鬚眉。讓我們以剛守護理想，以柔聯結世界，攜手並肩，在本屆論壇中碰撞智慧、深化合作，共同為推動全球婦女事業邁向更高品質的未來貢獻力量！

We gather today for the fourth Women Power Forum (WPF), themed "Women Across Nations: Unite to Prosper". This year's WPF holds special significance as it coincides with the commencement of China's 15th Five-Year Plan, marking a new chapter in the high-quality advancement of women's empowerment across nations.

We are honored to have Ms. Shen Yiqin, State Councillor, Chairperson of the National Working Committee on Children and Women under the State Council, and President of the All-China Women's Federation, alongside Mr. John Lee, Chief Executive of the HKSAR, as our officiating guests. We are also privileged to be joined by numerous distinguished leaders from China and abroad, as well as outstanding women from various fields.

Since its inception in 2019, WPF has remained committed to connecting China with the world. Leveraging Hong Kong's unique advantage of being "backed by the motherland and connecting the world", WPF has brought together nearly 100 speakers from over ten countries and regions, as well as more than 2,200 leaders from politics, business, and academia. WPF has evolved into a premier high-level dialogue platform recognised across Asia.

The power of women is like water and light—possessing the gentleness to nourish all things and the strength to carve through stone. This duality embodies the unique role of women in times of transformation: resilience in our tenacity and a sense of responsibility in driving social progress; gentleness in our inclusiveness and wisdom in building consensus. This delicate balance between strength and grace will be explored throughout the discussions at WPF.

The times call for responsibility, and women rise to the challenge. Let us forge ahead, engage in meaningful exchanges, deepen cooperation, and contribute to advancing global women's causes toward a future of higher quality.

Honorary Chairperson of the Women Power Forum

第四屆「巾幗建新力論壇」是繼去年十月在北京舉行的歷史性「全球領袖會議」之後，一個極為重要的里程碑。

正如冰島總統哈拉·托馬斯多蒂爾閣下所言，本次會議旨在紀念1995年在北京舉行的世界婦女大會，當時香港各界婦女聯合協進會是唯一資助並協調出席該會議的婦女非政府組織。來自68個與會婦女組織的364名代表參與了這次難忘的會議，當時由坦桑尼亞著名教育家格特魯德·蒙蓋拉出任世界婦女大會秘書長。香港各界婦女聯合協進會有幸負責統籌並搭建帳篷，以展示這68個組織所進行的社區工作。香港各界婦女聯合協進會創會主席林貝聿嘉博士，聯同范徐麗泰博士、梁愛詩博士及本人，共同籌組了這個香港非政府組織籌備一九九五年世界婦女大會工作委員會，而香港各界婦女聯合協進會亦預算以100萬港元支持及參與這項極具意義的活動。這也使香港婦女非政府組織代表團得以出席這個歷史性的論壇。

香港各界婦女聯合協進會將持續奮進，在此次第四屆「巾幗建新力論壇」上，我們期待憑藉在香港的根基，與全球所有認同本會願景的婦女非政府組織建立聯繫。跨越全球的婦女們，讓我們團結同心，共創繁榮，並促進和諧與友誼。

The Fourth Women Power Forum marks a very important stepping stone after the historic 'Global Leader's Meeting' held in October in Beijing last year.

As mentioned by the HE President of Iceland Ms. Halla Tómasdóttir, this conference commemorates the groundbreaking event held in Beijing in 1995, when the Hong Kong Federation of Women was the only women NGO which financed and coordinated the NGOs to attend the World Conference on Women. 364 participants from the 68 attending women organizations took part in this lifetime conference. The guest of honour was Ms. Gertrude Ibengwe Mongella from Tanzania, who served as UN Assistant Secretary General & Secretary General, Fourth World Conference on Women in Beijing. HKFW had the honour of co-ordinating and setting up a tent to showcase the community work done by these 68 organizations.

Dr. Peggy Lam, the Founding Chairperson of the HKFW, together with Dr. Rita Fan, Dr. Elsie Leung and the undersigned endorsed this NGO Platform, namely Hong Kong NGO Working Group on Fourth World Conference on Women 1995. HKFW budgeted HK\$1 million to support this meaningful event. This also enabled an all-women NGO Delegation from Hong Kong to attend this historic forum.

HKFW continues to forge ahead, and at this Fourth Women Power Forum, we look forward to leveraging our base in Hong Kong to connecting with all women NGOs globally that share HKFW's vision.

Women Across Nations, let's unite to prosper and bring forth harmony and friendship together.

歡迎出席香港各界婦女聯合協進會主辦的第四屆「巾幗建新力論壇」。

當前，世界正處於百年未有之大變局的加速演進期。單邊主義與保護主義衝擊多邊國際秩序，性別與科技的鴻溝依然顯著，地區衝突與人道挑戰交織並起，為全球婦女事業發展帶來新的不穩定因素。

面對變局，我們不僅要「滿懷熱忱」，更要「付諸行動」，把倡議落到實處。2026年，正值國家「十五五」規劃開局，新一輪科技革命正深刻重塑全球格局。我們更需秉持人類命運共同體理念，推動各國各方擔起歷史責任，踐行真正的多邊主義，共同維護以聯合國為核心的國際體系，落實全球治理倡議，以堅定決心與有力行動抵制任何形式的倒退。本屆論壇以行動為導向，以「中外婦女加強合作共謀發展」為核心主題，正是回應時代所需。

自2019年創辦以來，「巾幗建新力論壇」已成為連接中國與世界婦女事業的高端對話平台。香港在「一國兩制」下擁有「背靠祖國、聯通世界」的獨特優勢；香港婦女擁有多元文化底蘊、國際視野與豐富交流經驗，正是展示中國婦女發展成就、講好中國故事的重要橋樑。我們將以國際社會聽得懂的語言、看得見的案例，分享國家推動億萬婦女擺脫貧困、走向小康的實踐成果，為全球婦女發展提供務實可行、蘊含東方智慧的參考路徑。

在此，我衷心感謝全國政協、全國婦聯、外交部駐港公署、香港中聯辦、香港特區政府等機構的鼎力支持，並特別感謝協辦單位金紫荊女企業家協會，以及各位論壇榮譽顧問的傾力相助。

讓我們把握時代機遇，共同書寫全球婦女合作發展的新篇章，攜手邁向人類命運共同體。

Welcome to the 4th Women Power Forum, organized by the Hong Kong Federation of Women.

The world is currently undergoing an accelerated period of profound transformation unseen in a century. Unilateralism and protectionism are undermining multilateral international order; the gender and technology divides remain pronounced; and regional conflicts and humanitarian challenges continue to converge, introducing new uncertainties for the global advancement of women.

In responding to this changing landscape, it is not enough to be guided solely by enthusiasm; we must also translate our commitments into tangible action and ensure that our advocacy is reflected in meaningful outcomes. The year 2026 marks the opening year of National 15th Five-Year Plan, at a time when a new wave of scientific and technological revolution is reshaping the global landscape. We therefore must uphold the vision of a community with a shared future for mankind, encourage all countries and stakeholders to assume their historical responsibilities, practice genuine multilateralism, jointly safeguard the United Nations-centered international system, and advance initiatives for global governance—responding with firm resolve and effective action to resist any form of regression. With an emphasis on action and the central theme of "Women Across Nations: Unite to Prosper," this Forum is convened in direct response to the imperatives of our time.

Since its establishment in 2019, the Women Power Forum has grown into a high-level platform for dialogue connecting women's development in China with that of the wider world. Under the "One Country, Two Systems" principle, Hong Kong is uniquely positioned—grounded in the motherland and linked with the world. Hong Kong women, with their multicultural foundations, international outlook, and extensive experience in exchange and cooperation, serve as an important bridge for presenting China's achievements in women's development and for telling China's story well. In language that the international community can readily understand, and through clear and concrete examples, we will share China's practical achievements in enabling vast numbers of women to overcome poverty and move toward moderate prosperity, thereby offering the global community a pragmatic and feasible reference—grounded in Eastern wisdom—for advancing women's development.

On this occasion, I wish to express my sincere gratitude for the support of the National Committee of the Chinese People's Political Consultative Conference, the All-China Women's Federation, the Office of the Commissioner of the Ministry of Foreign Affairs of the People's Republic of China in the Hong Kong Special Administrative Region, the Liaison Office of the Central People's Government in the Hong Kong Special Administrative Region, the Government of the Hong Kong Special Administrative Region, as well as all other supporting institutions. I would also like to extend my special thanks to our co-organizer, the Golden Bauhinia Women Entrepreneur Association, and all the Honorary Advisors of the Forum for their dedicated assistance and support.

Let us seize the opportunities of our time, jointly write a new chapter in global cooperation for women's development, and work together toward a community with a shared future for mankind.

中外婦女加強合作 共謀發展

在當今全球發展的關鍵階段，世界正經歷百年未有之大變局的深刻演進。新一輪科技革命與產業變革向縱深推進，人工智慧、大數據、雲端運算等現代資訊科技以前所未有的廣度與深度重塑著全球社會的生產方式、生活模式與發展格局。同時，國家的「十五五」規劃開局之年也標誌著國家現代化進入全面夯實基礎、凝聚力的新階段。

「婦女是人類文明的重要創造者、推動者、傳承者，推進婦女事業發展是國際社會的共同責任。」在 2025 年全球婦女高峰會上的重要講話，習近平主席為全球婦女事業注入了堅定信心與澎湃動能。值此承前啟後的歷史節點，本屆中輞建新力論壇把握時代機遇，立足全球視野，以「中外婦女加強合作共謀發展」為核心主題，誠摯邀請全球各界匯聚智慧與力量。

論壇將圍繞《芳華共濟》、《數智賦能》、《美美與共》三大支柱議題展開深入探討，旨在建立包容平等的國際合作平台，促進各國在婦女發展領域的經驗分享與務實協作。我們期待透過集體智慧與跨界合作，為推動全球婦女事業向前發展、為建構協調、包容、永續的國際社會貢獻具有前瞻性與可行性的行動方案。

芳華共濟：攜手全球婦女共謀合作發展未來

匯聚來自公益、商業、科技、金融與社會創新等多元領域的女性領袖，圍繞如何通過多樣化、多層次的合作，共同塑造更具包容性、韌性與創造力的未來展開深度對話。我們將從政策協同、資源共享、技術賦能、網絡建設、公益項目等維度，探討婦女在全球發展中的合作路徑與實踐智慧，彰顯女性的獨特貢獻。

數智賦能：以科技之力培育婦女事業新質動能

聚焦於「破界數位鴻溝·共創協同生態」與「共享數智實踐·共促國際協作」兩大路徑，探討如何以前沿科技賦能婦女全面參與數位時代建設，並透過跨國、跨界合作，將技術創新轉化為推動社會協調發展、促進民生福祉提升的普惠動力。

美美與共：以文化創意繪就文明交流新圖景

聚焦女性在文化傳承、創意與跨文明對話中的關鍵作用，探討如何透過文化創意、品牌創新等實踐連結不同文明，構建「各美其美、美美與共」的全球文化生態。環節將展現女性如何以文化創意為動力，連結品牌、產業與社會影響力，為全球文化交流與可持續發展注入新的活力。

WOMEN ACROSS NATIONS: UNITE TO PROSPER

At this pivotal moment in global development, the world is navigating profound shifts of an unprecedented scale. Rapid advances in technology and industrial transformation—driven by artificial intelligence, big data, and cloud computing—are reshaping economies, societies, and daily life in unprecedented ways. At the same time, as China embarks on its 15th Five-Year Plan, the country is entering a new phase of modernization, one that consolidates foundations and unites collective efforts. Across this rapidly evolving global landscape, women’s leadership remains a driving force for progress in economies, climate action, digital transformation, cultural diplomacy, and social innovation.

The Forum will conduct in-depth discussions around three key pillars: “Unity in Bloom: Advancing Global Partnerships Among Women for a Shared Future”, “Digital and Intelligent Empowerment: Fostering New Quality Momentum for Women’s Advancement Through Technology”, and “Shared Beauty and Harmony: Crafting a New Vision for Civilizational Exchange Through Cultural Creativity”. Our goal is to build an inclusive and equitable platform for international cooperation, fostering experience sharing and practical collaboration among nations in the field of women’s development. Through collective wisdom and cross-sectoral partnership, we aspire to contribute forward-looking and actionable solutions that advance the global women’s cause and support the construction of a coordinated, inclusive, and sustainable international community.

Unity in Bloom: Advancing Global Partnerships Among Women for a Shared Future

This session brings together women leaders from diverse fields—including philanthropy, business, technology, finance, and social innovation—for an in-depth dialogue centered on how diverse and multi-layered collaborations can shape a more inclusive, resilient, and creative future. From the intersecting perspectives of policy coordination, resource sharing, technological empowerment, and network building, we will explore pathways for international cooperation and the practical wisdom of women in driving global development, while celebrating their distinctive contributions.

Digital and Intelligent Empowerment: Fostering New Quality Momentum for Women's Advancement Through Technology

This session focuses on two pathways: "Bridging the Digital Divide, Co-Creating a Collaborative Ecosystem" and "Sharing Digital Practices, Advancing International Cooperation". We will explore how cutting-edge technologies can empower women to fully participate in shaping the digital era, and how cross-border, cross-sector collaboration can transform technological innovation into a powerful and inclusive momentum that promotes coordinated social development and enhances people's livelihoods.

Shared Beauty and Harmony: Crafting a New Vision for Civilizational Exchange Through Cultural Creativity

This session focuses on the critical role of women in cultural heritage, innovation, and cross-civilizational dialogue. It explores how cultural and creative practices can connect different civilizations and build a sustainable global cultural ecosystem characterized by "appreciating each other's beauty, and creating beauty together." Centered on how women leverage cultural creativity as a driving force to connect brands, industries, and social impact, the session aims to injecting new vitality into global cultural exchange and sustainable development.
